

# Chapter 1

## Example Chapter

This is a L<sup>A</sup>T<sub>E</sub>X template for preparing a dissertation according to the University of Rochester guidelines [?] as of July 2020. It also includes some useful L<sup>A</sup>T<sub>E</sub>X formatting including a working example of a bibliography. You will need a working TeX distribution such as MikTeX [?] or TeXLive [?] to compile this document.

Here is an example equation (from [?]) that has it's own label we will reference in Chapter ??:

$$E = mc^2. \tag{1.1}$$

Here is an example image: If you want to reference the example figure (Fig. 1.1), you can.

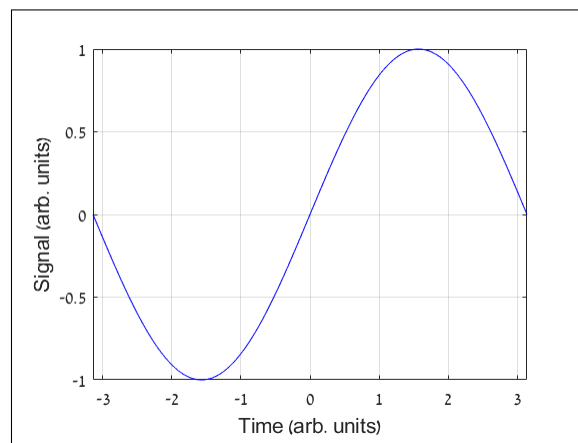

Figure 1.1: Example Image. This image is also labeled internally so we can reference it throughout the text.

See also Fig. ??.
